

Amendments to the Drawings:

Applicant submits new formal drawings curing the objections to the drawing informalities noted. It is noted that reference numbers 10 and 11 refer to a first and a second segment of the grid, and are hence properly distinguished by their position, rather than by indicating different components of the device. Accordingly, the arrow lead lines drawn from reference numbers 10 and 11 are appropriately definitive.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'R. Haldiman', is written over a horizontal line.
